

VOLUNTEERING

Money is not the only way you can help support your Chamber! Many of our events are very involved and use every board member to pull off. Volunteering your time is just as valuable to the Chamber. Not only will you be helping you Chamber; you will be helping the community you work and/or live in, as well as networking with other businesses/potential customers.

The Butler Chamber has several events you can Volunteer for throughout the year. Currently, the Butler Chamber does not require you to volunteer your time as part of your membership agreement. However, we would like to see more of our Members volunteering for events. This will help us, help you, get your business name out in the community more.

Below is a list of this year's main events, please select event you can volunteer for and for how long you can volunteer. More than one person can sign up from a business.

Banquet: _____

Car Show: _____

(car show dates to pick from:)
